

HOW TO VERIFY YOUR PEGA CERTIFICATION

Has it been more than 5 business days since you cleared the Pega certification exam?

NOTE: Business days do not include Saturday and Sunday, or US Holidays.

If it has been **less than 5 business days** since you cleared the Pega certification exam, please wait to verify your certification until after 5 business days have passed.

If it has been **more than five business days** since you cleared the Pega certification exam,

Is the email address you used for your Pearson VUE account associated with your Pega account?

If you have multiple Pega accounts, and you want all your achievements to display under a single Pega account, [contact us](#) to merge your Pega accounts.

Log in to your Pega account.

In the upper-right corner, click your login name, then click **My Account Settings**.

If the email address you used for your Pearson VUE account is not associated with your Pega account, enter the email address you used for your Pearson VUE account, then click **Send Verification**.

After you verify the email address, you can then make the new email address your primary email address – or not. You do You.

POWER USER TIP: Check your *Junk* email folder if you do not receive the verification email after 1 hour.
